

Agreements

By entering and using our school library, you agree to follow our library rules. Our three library agreements are:

We take care of the books.

This means:

- We are careful with the books.
- We put the books back where they belong.
- We follow the rules of borrowing and returning library books.

We are quiet, calm and focused.

This means:

- We walk.
- We whisper.
- We ask for help when we need it.

We take care of each other.

This means:

- We are fair and we share.
- We are patient and respectful.
- We listen to each other.
- We give each other space.
- We help each other when we can.
- We are open-minded.
